

**Servant of God
Rozalia Celakowna
mystic (1901-1944)**

Jesus' words to Rozalia:

My child! God shall send a terrible punishment for sins and crime committed by people in the whole world. God's Justice cannot endure those misdeeds. Only those countries shall persevere where Christ will reign. If you want to save the world, the enthronement must

be celebrated (...) in all the countries and nations around the globe. It is the only way in which one may be rescued. Countries and nations who do not recognize that need and submit to the reign of the sweet love of Jesus shall disappear from the face of the earth forever. Remember that, my child, they shall perish and shall never exist!!! (...) Remember, child, the matter of such importance must not be overlooked or forgotten. (...) The enthronement must be carried out in Poland.

(...) Only those countries shall persevere where I am recognized as King. The scale of destruction shall be enormous because of sins which have flooded the earth and, therefore, they have to be cleansed with blood, especially in places where they were committed in a most atrocious way.

On November 19, 2016 in Krakow Polish nation will accept Jesus Christ as King and Lord by the Act of Enthronement carried out by representatives of secular and ecclesiastical authority.
